We're building a vibrant and dynamic workplace for all employees, with:

- Computer training area (to develop new or additional computing skills).
- Reward and Recognition Program.
- Supported Employee led Social Club.
- Regular special events.

“

Pack Works is much more than just a job to Shane, he looks forward to going there every day. There have even been instances on public holidays where we've had to take Shane to work just to show him it was closed - that's how much he enjoys his time at work and wants to be there.
