Supporting You Well

This is an easy to read summary of Unisson's Person Centred Support Policy.

You have the right to a good life.

You have the right to make your own choices.

At Unisson we listen to you.

We help you make your choices.

At Unisson we believe in person centred support.

We might talk to your family, partner or carer to find out more about your needs.

We only do that if you say that is ok.

Goals

We work together with you to set your goals.

We will plan how to get to your goals together.

Support staff

The person must have the right training to do the job.

Without the right training, they cannot support you.

Privacy

Unisson keeps your information safe.

Unisson only shares information with others if you say that is ok.
